Kiehl-Legnomat

Wooden floor cleaner for scrubber driers

- Fast-acting and intensive neutral foam cleaner for scrubber driers
- Removes everyday dirt
- Experts have confirmed suitability of use as a wooden floor cleaner for scrubber driers
- Contains renewable plant-based raw materials
- Patent pending

Area of application

For the mechanical final construction and routine cleaning of newly installed bare, oiled and sealed wooden floors. Not suitable for laminate.

Application

Only use the product with a nylon brush (0.5 mm). When not using for cleaning, run the machines dry so that no water runs out. Follow the maintenance instructions in accordance with DIN 18356. Pay attention to the maximum point loading of the floor. Residual moisture can damage the wood surface.

Routine cleaning (mechanical wet cleaning):
200 ml to 8 L of cold water. Consumption: 2.4 ml/m^2.

Note

Kiehl accepts no liability or responsibility for damage caused as a result of incorrect use or application of the product. Not a consumer product according to 1999/44/EC Art. 1! For professional use only! Protect from frost.
