

# Microfibre cloth Top-Allround

## All-purpose cleaning cloth

---

- ▲ For streak-free cleaning of smooth to fine-rough surfaces
- ▲ No scratching of surfaces
- ▲ High-quality microfibre maintains the shape of the cloth
- ▲ Suitable for use in the ProMop system

### Anwendung

Wash at 60 °C before first use. Can be used when wet and damp. Dry at max. 60 °C. Do not use fabric softener. Do not iron. Do not bleach. Washing at 95 °C shortens the life of the cloth.
