

Extra-Fit

Remover of paint and adhesive residues

- ▲ Powerful spray cleaner
- ▲ Removes residues of paint, adhesive tapes, labels and adhesives from solvent-resistant surfaces
- ▲ Stubborn residues are dissolved spontaneously

Area of application

For removing paint and adhesive residues from solvent-resistant plastic and plastic-coated surfaces. Not suitable on ABS plastic, e.g. special phone housing, some PC keyboards and LCD displays.

Application

Please test on a small inconspicuous spot before first application. Adjacent areas and objects must be protected.

Surface cleaning:

Spray undiluted product on the paint or adhesive residues and leave for a short time to react. Then use a cloth to absorb the product. Consumption: 20.0 ml/m².

Note

Kiehl accepts no liability or responsibility for damage caused as a result of incorrect use or application of the product. Not a consumer product according to 1999/44/EC Art. 1! For professional use only!

Ingredients (according to 648/2004/EC)

Anionic surfactants < 5%, water-soluble solvents, additives.
pH value (concentrate): approx. 11
