

112 ECOMAX Foam

Scented foam

- ▲ Very high foam volume which remains stable for a long time when used in foam devices
- ▲ Creates a pleasant and intensely fragrant atmosphere at the washing bay and within the washing hall
- ▲ Pleasant, hypoallergenic and ecologically optimised fragrances
- ▲ Dissolves common dirt from vehicles
- ▲ Effectively removes dissolved dirt from the vehicle surface
- ▲ Offers exceptional protection of the vehicle and car wash equipment
- ▲ Particularly environmentally aware and gentle composition
- ▲ Eco-compatibility confirmed with the Nordic Swan Ecolabel
- ▲ Highly economical thanks to the very strong product concentration
- ▲ Free from EDTA, NTA and phosphates

ECOMAX

Application

Product is suitable for pre-dilution

Apply either undiluted or prediluted to the application with a suitable dosing device. The shelf life of diluted solutions is reduced by the storage conditions and water quality.

Foam:

In self-service jet washes as brush foam (10–20 ml/min).

The dosage should be set so that the desired amount of fragrance and foam is ensured.

In automatic car washes as active foam (5–10 ml/car).

Note

Always keep containers closed and guide suction tubes through the closure. A change in colour and clouding may occur without any loss in quality due to the natural raw materials. No liability is accepted in case of incorrect and unprofessional use! Not a consumer product according to 1999/44/EC Art. 1! For professional use only!

Ingredients (according to 648/2004/EC)

Anionic surfactants 15–30%, water-soluble solvents, corrosion protection, dyes, fragrances, preservatives (Benzisothiazolinone).
pH value (concentrate): approx. 7.5

Classification

Classification (in concentrate): GHS07, Warning. H319 Causes serious eye irritation. H315 Causes skin irritation. P280 Wear protective gloves/eye protection. P305+P351+P338 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
