

# 116 AciFoam

## Acidic cleaning foam

- ▲ High foam volume that can be rinsed off particularly well when used in foam devices
- ▲ Dissolves common dirt from vehicles
- ▲ Effectively removes dissolved dirt from the vehicle surface
- ▲ Protects the materials on the vehicle and the car wash equipment
- ▲ Supports the drying process
- ▲ Ideally suited for use in recycling water plants
- ▲ Neutraliser for highly alkaline wash processes (e.g. "Express" conveyor systems)
- ▲ Environmentally aware and gentle composition
- ▲ Highly economical thanks to the very strong product concentration
- ▲ Free from EDTA, NTA and phosphates

### Application

#### Product is suitable for pre-dilution

Apply either undiluted or prediluted to the application with a suitable dosing device. The shelf life of diluted solutions is reduced by the storage conditions and water quality.

#### Foam:

In automatic car washes as active foam (8–15 ml/car).

In automatic car washes as foam curtain (e.g. lava foam) (15–30 ml/car).

#### Shampoo:

In automatic car washes as brush shampoo (5–15 ml/car).

#### Note

Always keep containers closed and guide suction tubes through the closure. A change in colour and clouding may occur without any loss in quality due to the natural raw materials. No liability is accepted in case of incorrect and unprofessional use! Not a consumer product according to 1999/44/EC Art. 1! For professional use only!

#### Ingredients (according to 648/2004/EC)

Amphoteric surfactants 5–15%, organic acids, corrosion protection.  
pH value (concentrate): approx. 1.5

#### Classification

Classification (in concentrate): GHS05, Danger. H318 Causes serious eye damage. P280 Wear eye protection. P305+P351+P338 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Contains: Alkylamidopropylbetaine (INCI)
