

132 KIMAX Foam

Foaming power cleaner

- ▲ Outstanding cleaning performance when faced with insects, fuel spillages, exhaust residues and statically adhesive dirt
- ▲ Effectively removes dissolved dirt from the vehicle surface
- ▲ Protects the materials on the vehicle and the car wash equipment
- ▲ Very high foam volume that collapses quickly when used in foam devices
- ▲ Creates a pleasant atmosphere with a subtle aroma
- ▲ Aids the drying process and thus supports fast washing processes
- ▲ Ensures optimum recycling water qualities and high rates of water recycling
- ▲ Reduces the sludge volume in sedimentation tanks as it supports the sedimentation of pollutants
- ▲ Environmentally aware and gentle composition
- ▲ Very economical thanks to maximised product concentration
- ▲ Free from EDTA, NTA and phosphates

Application

Product is suitable for pre-dilution

Apply either undiluted or prediluted to the application with a suitable dosing device. The shelf life of diluted solutions is reduced by the storage conditions and water quality.

Foam:

In automatic car washes as active foam (5–15 ml/car).

In automatic car washes as foam curtain (e.g. lava foam) (15–30 ml/car).

Shampoo:

In automatic car washes as brush shampoo (5–15 ml/car).

In self-service jet washes as brush foam (12–25 ml/min).

Pre- and intensive cleaner:

In high-pressure systems as a spray application (10–20 ml/min).

Note

Always keep containers closed and guide suction tubes through the closure. A change in colour and clouding may occur without any loss in quality due to the natural raw materials. Do not allow the cleaning solution to dry. No liability is accepted in case of incorrect and unprofessional use! Not a consumer product according to 1999/44/EC Art. 1! For professional use only!

Ingredients (according to 648/2004/EC)

Nonionic surfactants 5–15%, amphoteric surfactants < 5%, alkalis, water-soluble solvents, additives, corrosion protection, dyes, fragrances.
pH value (concentrate): approx. 13

Classification

Classification (in concentrate): GHS05, Danger. H314 Causes severe skin burns and eye damage. P280 Wear protective gloves/protective clothing/eye protection/face protection. P305+P351+P338 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. P308+P313 IF exposed or concerned: Get medical advice/attention. Contains: Trideceth 5-12 / Sodium Hydroxide (INCI)
