

133 KIMAX Parfoam

Gentle foaming cleaner with refreshing fragrance

- ▲ Dissolves common dirt from vehicles
- ▲ Effectively removes dissolved dirt from the vehicle surface
- ▲ Offers a very good protection of the vehicle and car wash equipment
- ▲ Ensures optimum recycling water qualities and high rates of water recycling
- ▲ Reduces the sludge volume in sedimentation tanks as it supports the sedimentation of pollutants
- ▲ Very high foam volume that collapses quickly when used in foam devices
- ▲ Creates a pleasant and intensely fragrant atmosphere at the washing bay and within the washing hall
- ▲ Environmentally aware and gentle composition
- ▲ Very economical thanks to maximised product concentration
- ▲ Free from EDTA, NTA and phosphates

Application

Product is suitable for pre-dilution

Apply either undiluted or prediluted to the application with a suitable dosing device. The shelf life of diluted solutions is reduced by the storage conditions and water quality.

Foam:

In automatic car washes as active foam (5–15 ml/car).

In automatic car washes as foam curtain (e.g. lava foam) (15–30 ml/car).

Shampoo:

In automatic car washes as brush shampoo (5–15 ml/car).

In self-service jet washes as brush foam (12–25 ml/min).

Pre- and intensive cleaner:

In high-pressure systems as a spray application (10–20 ml/min).

Note

Always keep containers closed and guide suction tubes through the closure. A change in colour and clouding may occur without any loss in quality due to the natural raw materials. No liability is accepted in case of incorrect and unprofessional use! Not a consumer product according to 1999/44/EC Art. 1! For professional use only!

Ingredients (according to 648/2004/EC)

Nonionic surfactants 5–15%, amphoteric surfactants < 5%, water-soluble solvents, corrosion protection, dyes, fragrances (Linalool, Limonene, Citral, Citronellol).

pH value (concentrate): approx. 11
