

134 KIMAX Wash

Powerful brush shampoo

- ▲ Outstanding cleaning performance when faced with insects, fuel spillages, exhaust residues and statically adhesive dirt
- ▲ Effectively removes dissolved dirt from the vehicle surface
- ▲ Offers a very good protection of the vehicle and car wash equipment
- ▲ Ensures optimum recycling water qualities and high rates of water recycling
- ▲ Reduces the sludge volume in sedimentation tanks as it supports the sedimentation of pollutants
- ▲ Creates a pleasant atmosphere with a subtle aroma
- ▲ Aids the drying process and thus supports fast washing processes
- ▲ Environmentally aware and gentle composition
- ▲ Very economical thanks to maximised product concentration
- ▲ Free from EDTA, NTA and phosphates

Application

Product is suitable for pre-dilution

Apply either undiluted or prediluted to the application with a suitable dosing device. The shelf life of diluted solutions is reduced by the storage conditions and water quality.

Shampoo:

In automatic car washes as brush shampoo (5–13 ml/car).

Note

Always keep containers closed and guide suction tubes through the closure. A change in colour and clouding may occur without any loss in quality due to the natural raw materials. No liability is accepted in case of incorrect and unprofessional use! Not a consumer product according to 1999/44/EC Art. 1! For professional use only!

Ingredients (according to 648/2004/EC)

Nonionic surfactants 5–15%, amphoteric surfactants < 5%, alkalis, complexing agents, water-soluble solvents, corrosion protection, dyes, fragrances (Linalool, Limonene, Citral).
pH value (concentrate): approx. 13
