

145 ENERGY Foam

High foaming cleaner with refreshing fragrance

- ▲ Outstanding cleaning performance when faced with insects, fuel spillages, exhaust residues and statically adhesive dirt
- ▲ Protects the materials on the vehicle and the car wash equipment
- ▲ Ensures optimum recycling water qualities and high rates of water recycling
- ▲ Reduces the sludge volume in sedimentation tanks as it supports the sedimentation of pollutants
- ▲ Very high foam volume that collapses quickly when used in foam devices
- ▲ Creates a pleasant and intensely fragrant atmosphere at the washing bay and within the washing hall
- ▲ Contains renewable plant-based raw materials
- ▲ Environmentally aware and gentle composition
- ▲ Very economical thanks to maximised product concentration
- ▲ Free from EDTA, NTA and phosphates

Application

Product is suitable for pre-dilution

Apply either undiluted or prediluted to the application with a suitable dosing device. The shelf life of diluted solutions is reduced by the storage conditions and water quality.

Foam:

In automatic car washes as active foam (5–15 ml/car).

In automatic car washes as foam curtain (e.g. lava foam) (15–30 ml/car).

Shampoo:

In automatic car washes as brush shampoo (5–15 ml/car; 3–5 ml/m commercial vehicle length).

Pre- and intensive cleaner:

In low- or high-pressure systems as a foam application ($\geq 1:120$).

In high-pressure systems as a spray application (10–20 ml/min).

Note

Always keep containers closed and guide suction tubes through the closure. A change in colour and clouding may occur without any loss in quality due to the natural raw materials. No liability is accepted in case of incorrect and unprofessional use! Not a consumer product according to 1999/44/EC Art. 1! For professional use only!

Ingredients (according to 648/2004/EC)

Nonionic surfactants < 5%, amphoteric surfactants 5–15%, alkalis, additives, dyes, fragrances.
pH value (concentrate): approx. 13.5

Classification

Classification (in concentrate): GHS05, Danger. H314 Causes severe skin burns and eye damage. P280 Wear protective gloves/protective clothing/eye protection/face protection. P305+P351+P338 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. P308+P313 IF exposed or concerned: Get medical advice/attention. Contains: Sodium Hydroxide (INCI)
