

# 222 Brill Gomma Plus

## High-level tyre maintenance

- ▲ Gives uniform colour depth and produces a silky matt gloss finish on tyres and plastic parts
- ▲ Achieves a water and dirt-repellent effect
- ▲ Extremely environmentally aware and gentle composition
- ▲ Very economical to use thanks to the very high content of active ingredient in the high concentrate
- ▲ Free of hydrocarbons and mineral oils

### Application

#### Product is not suitable for pre-dilution

Use undiluted and manually.

#### Wax and care:

as a care for tyres and plastic (20 ml/car).

Apply with a brush or sponge, or spray on. Do not overdose, as excess product can reach unwanted surfaces while driving.

#### Note

Always keep containers closed and guide suction tubes through the closure. A change in colour and clouding may occur without any loss in quality due to the natural raw materials. No liability is accepted in case of incorrect and unprofessional use!

#### Ingredients

Maintenance substances, additives, fragrances, preservatives.
