

227 LavaPolish

Foaming gloss polish

- ▲ Preserves and maintains all vehicle surfaces
- ▲ Achieves a good gloss finish on paintwork and plastic parts
- ▲ Impregnating effect ensuring good water and dirt repellency
- ▲ Significant improvement to the drying
- ▲ Full care effect even after the first wash
- ▲ No layer build-up and no smearing
- ▲ A high ratio of surfactants also achieves a great cleaning effect
- ▲ High foam volume that can be rinsed off particularly well when used in foam devices
- ▲ Can also be used within critical fresh water quality (e.g. water hardness)
- ▲ Ideal for convertible soft top canvas
- ▲ Provides a pleasant and particularly intensive fragrance experience
- ▲ Particularly environmentally aware and gentle composition
- ▲ Very economical to use thanks to the very high content of active ingredient in the high concentrate
- ▲ Free of hydrocarbons and mineral oils

Application

Product is not suitable for pre-dilution

Apply undiluted to the application with a suitable dosing device.

Polishing:

as a foam application (20–50 ml/car).

Apply and polish after washing in the foaming process.

Note

Always keep containers closed and guide suction tubes through the closure. A change in colour and clouding may occur without any loss in quality due to the natural raw materials. Protect from frost. Not a consumer product according to 1999/44/EC Art. 1! For professional use only! No liability is accepted in case of incorrect and unprofessional use!

Ingredients (according to 648/2004/EC)
