

# 248 U-Wax

## Underchassis wax - concentrate

- ▲ Impregnating effect ensuring excellent water and dirt repellency
- ▲ Good penetration capacity and therefore extensive protection
- ▲ Environmentally aware and gentle composition
- ▲ Very economical to use thanks to the very high content of active ingredient in the high concentrate
- ▲ Free of hydrocarbons and mineral oils

### Application

#### Product is not suitable for pre-dilution

Apply undiluted to the application with a suitable dosing device.

#### Wax and care:

In automatic car washes as underchassis preservation (25–100 ml/car).

#### Note

Always keep containers closed and guide suction tubes through the closure. A change in colour and clouding may occur without any loss in quality due to the natural raw materials. No liability is accepted in case of incorrect and unprofessional use! No liability is accepted in case of incorrect and unprofessional use!
