

Aroma - Wildberry

Perfume concentrate for product supplement

- ▲ Enhances or creates an intense aroma when added to suitable KIEHL products
- ▲ Creates a pleasant and intensely fragrant atmosphere at the washing bay and within the washing hall
- ▲ Intensity can be adjusted by altering the quantity used
- ▲ Very economical thanks to maximised product concentration
- ▲ Retains the properties of scented products and creates a stable mixture
- ▲ Ideally suited for use in recycling water plants

Application

Product is not suitable for pre-dilution

Apply undiluted to suitable products.

Fragrance:

In suitable KIEHL products (1–4 %).

A 250 ml bottle in a 25 kg canister is equivalent to approx. 1%. Shake well or stir immediately after mixing the components.

Note

Keep the container closed at all times. A change in colour and clouding may occur without any loss in quality due to the natural raw materials. No liability is accepted in case of incorrect and unprofessional use! Not a consumer product according to 1999/44/EC Art. 1! For professional use only!
