

QuickSeal

Quick sealing

- ▲ Gives colour depth and produces a gloss finish on varnish and plastic parts
- ▲ Can be used indoors and outdoors
- ▲ Excellent protection against weather and environmental influences
- ▲ Particularly environmentally aware and gentle composition
- ▲ Free from EDTA, NTA, phosphates and hydrocarbons

Application

Consult the manufacturer's instructions for the materials in question and test for compatibility in an inconspicuous spot where required.

Wax and care:

Sparingly apply product to a dry cloth and polish the surface to be treated.

Note

Do not allow the product to dry. Keep out of reach of children! No liability is accepted in case of incorrect and unprofessional use!

Ingredients

Maintenance substances, preservatives.
pH value (concentrate): approx. 6.5
