

# Powerfix-Gel

## Powerful toilet cleaner

- ▲ Highly active powerful toilet cleaner containing phosphoric acid
- ▲ Removes stubborn lime residues and lime soap
- ▲ A fresh and intense fragrance during use
- ▲ Good adhesion of the product thanks to the high viscosity, even on vertical surfaces
- ▲ The use on acid-sensitive surfaces leads to irreparable material damage

### Area of application

For the removal of poorly soluble deposits in toilet bowls and urinals. Acid-sensitive surfaces, such as damaged chromium coatings on fittings, brass, anodised aluminium, polyamide and acid-sensitive natural and artificial stone, can be damaged by products containing acid.

### Application

Please test on a small inconspicuous spot before first application. Do not allow the product to dry. Adjacent areas and objects must be protected.

### Basic cleaning (toilet bowls):

Spray undiluted product under the toilet rim or onto the surface to be cleaned and clean with the toilet brush. Flush with water after a short reaction time. Consumption: 10.0 ml/m<sup>2</sup>.

### Note

Kiehl accepts no liability or responsibility for damage caused as a result of incorrect use or application of the product. Not a consumer product according to 1999/44/EC Art. 1! For professional use only!

### Ingredients (according to 648/2004/EC)

Nonionic surfactants < 5%, inorganic acids, organic acids, dyes, fragrances (Amylcinnamal, Citronello).  
pH value (concentrate): approx. 0.5

### Classification

Classification (in concentrate): GHS05, Danger. H314 Causes severe skin burns and eye damage. H412 Harmful to aquatic life with long lasting effects.
