

Opysat

Hand wash lotion

- ▲ High-quality viscous hand-washing lotion with skin protection components
- ▲ Gentle, mild cleaning
- ▲ Skin-friendly handwashing
- ▲ Pleasant fragrance
- ▲ Preserves the skin's natural protective acidic mantle
- ▲ Excellent skin replenishment and moisturising skin protection components protect against skin irritation
- ▲ Ideal for frequent washing
- ▲ Extremely economical
- ▲ Does not affect production processes, e.g. painting/coating surfaces
- ▲ Contains renewable plant-based raw materials

Area of application

For cleaning and caring for hands, including for greasy dirt. Ideal for use in all areas requiring frequent handwashing, e.g. in retirement homes, hospitals, schools, nurseries etc.

Application

Dispenser and packagings:

When using refillable dispensers and dispensers suitable for viscous products, fill the container with the product. Avoid mixing with other products. Fully empty the dispenser at least twice a year and rinse thoroughly with warm water. When using the screw-on dosing pump, screw onto the canister, operate the pump twice (approx. 2 ml) and wash the hands as described. Thoroughly clean the inside and outside of the dosing pump with warm water prior to changing the canister.

Hand washing:

Dispense 2 ml of the product onto wet hands and then wash hands. Then carefully rinse the hands with warm water and dry. Consumption: 2.0 ml/application.

For detailed, printable hand washing instructions, please visit www.kiehl-group.com. We recommend products from the "marina KC" range to protect hands during and after work.

Note

Suitable for use in wall dispensers with an ambient temperature of 5–35 °C. The packagings are recyclable sorted by type.

Ingredients

INCI (Aqua, Sodium Laureth Sulfate, Glycerin, Cocamide-DEA, Cocamidopropyl Betaine, Coco-Glucoside, Sodium Benzoate, Phenoxyethanol, PEG-3-Distearate, Lactic Acid, Panthenol, Parfum (Linalool, Citronellol), Allantoin, Salicylic Acid, C.I. 45100).
pH value (concentrate): approx. 5
