

Disoman

High-performance, super-concentrated washing-up liquid

- High-performance washing-up liquid for the manual cleaning of crockery and kitchen utensils
- Removes all types of dirt
- ▲ Excellent grease removal
- Protects the material
- pH-neutral
- Extremely economical
- Free of fragrances and dyes
- The product has a clearance certificate for use in food areas
- Awarded with the European Ecolabel
- ▲ Contains renewable plant-based raw materials

Area of application

For cleaning dishes, such as plates, glasses, pots, pans, cutlery and washable kitchen utensils.

Application

Please test on a small inconspicuous spot before first application.

Manual dish washing:

Add 2.5 ml (approx. 1 squirt) to 5 L of warm water and clean kitchen utensils with a brush or sponge. Leave to soak briefly for stubborn stains. Rinse with water and leave to dry. If using the manual dosing pump, add one pump (30 ml) to 60 L of warm water. Double the dosage for heavily soiled dishes. Consumption: 0.5–1.0 ml/L.

Surfaces and kitchen equipment that come into direct contact with food must be rinsed thoroughly with drinking water.

Note

Kiehl accepts no liability or responsibility for damage caused as a result of incorrect use or application of the product. Not a consumer product according to 1999/44/EC Art. 1! For professional use only! Proper dosage saves costs and minimises environmental impacts. Do not rinse under running water. Instead, immerse dishes and use the recommended dosage. By dosing correctly and using the lowest recommended temperature, you can help to reduce water pollution and to save energy and water. Surfactants based on vegetable raw materials. Packaging material is recyclable.

Ingredients (according to 648/2004/EC)

Nonionic surfactants 5–15%, anionic surfactants 5–15%, amphoteric surfactants < 5%, additives, preservatives (Phenoxyethanol). pH value (concentrate): approx. 7 pH value (ready-to-use solution): approx. 7

Art. No. Packaging unit (PU)

j551201 Carton of 6 x 1 L PCR bottles
j551205 Carton of 2 x 5 L PCR canisters
