

# ARENAS-starch

## Liquid starch

- ▲ Contains natural starch
- ▲ Lends the laundry stability and shine
- ▲ Can be dosed automatically or manually

### Area of application

For starching textile fabrics in the final rinse cycle, e.g. shirts, coats, bed linen, table linen etc.

### Application

#### Washing textiles:

Dosage via dosing pumps: Depending on the desired effect 0.05–0.5 %.

Add the product to the final rinse cycle of the wash. Attach the canister to the pump connection for the liquid starch.

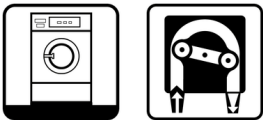

Dosage takes place automatically through the washing machine's program control. Recommended liquor ratio 1:3.

Contact time: 3–5 minutes.

Manual dosage: 50–200 ml to 5–10 kg of dry laundry.

Contact time: 3–5 minutes.

The amount required depends on the size of the washing machine, the water hardness and the chosen liquor ratio.

### Note

Kiehl accepts no liability or responsibility for damage caused as a result of incorrect use or application of the product. Not a consumer product according to 1999/44/EC Art. 1! For professional use only!

### Ingredients

Natural starch, preservatives.

pH value (concentrate): approx. 6

pH value (ready-to-use solution): approx. 7
